

Apex Systems Wins ClearlyRated's 2025 Best of IT Services Award for Service Excellence

2025-02-13

Award winning firms have a Net Promoter[®] Score 70% higher than the industry average

RICHMOND, Va.--(BUSINESS WIRE)-- Apex Systems, a leading global technology services firm, and ASGN brand (NYSE: ASGN), announced today that the Company has won ClearlyRated's Best of IT Services[®] Award for providing superior client service. Winners of this prestigious award are selected based entirely on client ratings and achieve Net Promoter[®] Scores that exceed the industry average by more than 70%.

This is the first time that Apex has won this award, receiving a Net Promoter[®] Score of 78.6%, which is significantly higher than the industry's average of 47% in 2024. The Net Promoter Score (NPS) is a critical metric that measures the willingness of customers to recommend a company's products or services to others. It is a strong indicator of customer satisfaction and loyalty. Apex's exceptional NPS ranking underscores the Company's dedication to delivering outstanding client experiences and innovative IT solutions tailored to the unique needs of its clients. The high score reflects the trust and confidence clients place in Apex's capabilities along with the Company's consistent efforts to exceed expectations in the ever-evolving technology services landscape.

"I'm delighted to present the winners of the 2025 Best of IT Services award," said ClearlyRated's CEO, Baker Nanduru. "Apex, amongst its fellow winners, has set itself apart for its relentless pursuit of service excellence and extraordinary client experiences. They exemplify the highest standards of professionalism, and I'm privileged to shine a spotlight on Apex's outstanding achievements—congratulations on continuing to transform our industry!"

The Best of IT Services Award[®] evaluates companies' Solution Services offerings. By asking customers to rank their IT service providers, the award measures customer satisfaction with a company's delivery, inventive solutions, value, and ease of doing business. This evaluation highlights company focus on excellence, innovation, and facilitating client success. The goal is to provide customized solutions that help businesses thrive in a technologically driven environment. Winning this awards helps distinguish IT service providers, making it simple for enterprises to select Apex Systems to support their digital transformations.

James Boucher, Apex's Chief Solutions Officer, expressed, "Receiving this award is a testament to our ongoing efforts to expertly align with our clients' needs and build enduring relationships through which we can deeply understand their long-term IT roadmaps. It is through this journey that our clients have increasingly pulled us

into higher-end, high-value IT solutions and consulting services. We partner closely with each of our clients to achieve their strategic goals, combining a boutique firm feel and tailored approach with the skillsets and capabilities of a large consulting powerhouse. Through our depth of skilled talent both onshore and nearshore, extensive experience in technology partnerships, and robust recruiting capabilities, we possess the agility and adaptability needed to meet our clients' ever-changing needs. We take immense pride in having our dedication to innovation and client success acknowledged in this manner."
