

## ECS Joint Venture 1CyberForce Wins Spot On \$20B Cybersecurity Vehicle

2025-03-25

Joint venture between ECS and Yakshna Solutions will provide cost-saving cybersecurity solutions to the U.S. Department of the Treasury

FAIRFAX, Va.--(BUSINESS WIRE)-- **1CyberForce**, a small-business mentor-protégé joint venture between **ECS**, an ASGN (NYSE: ASGN) brand, and **Yakshna Solutions**, has been awarded a spot on a \$20B cybersecurity blanket purchase agreement (BPA) with the U.S. Department of the Treasury. ECS is an IT systems integrator focused on data and AI, cybersecurity, and enterprise transformation solutions, and Yakshna Solutions is a provider of enterprise IT solutions and services to defense and civilian, federal, state, and local agencies.

The Providing Treasury Enterprise Cybersecurity Technology & Services (PROTECTS) BPA has a one-year base ordering period and seven one-year option periods. It enables the Treasury, its bureaus, and departmental offices to access **1CyberForce** for **cybersecurity solutions and services** that will enhance the protection of Treasury assets and data, enable innovation, and provide cost savings.

Through PROTECTS, ECS will leverage its extensive expertise in commercial and federal security operations, managed security services, incident and vulnerability management, and enhanced adversary-focused operations to advance the Treasury Department's security posture.

"We are thrilled to earn a spot on the PROTECTS vehicle and expand our support of the Department of the Treasury," said **John Heneghan**, president of ECS. "This award is a significant milestone for our joint venture. It showcases our unmatched cybersecurity expertise and innovative, AI-enabled cybersecurity solutions. It demonstrates our commitment to safeguarding critical federal infrastructure and taxpayer information across an ever-evolving threat landscape."

With its leading, enterprise-class security operations center (SOC) and managed security service expertise, ECS has long protected mission-critical assets and infrastructures, including those of the U.S. Army, the Department of Homeland Security, and many other federal organizations. The company maintains partnerships with leading cyber technology providers, and its employees hold more than 14,700 technology certifications. In 2024, ECS was ranked second on **MSSP Alert's list** of the world's top managed security service providers.
