ECS Named Number One on Top 100 Vertical Market MSPs in 2020

Company recognized as top managed service provider for the second year in a row

FAIRFAX, Va.--(BUSINESS WIRE)-- **ECS**, a leader in advanced technology, science, and engineering solutions, has been named number one on the **Top 100 Vertical Market MSPs** for 2020 for the second year in a row. The annual list identifies and honors the top 100 managed services providers (MSPs) in healthcare, legal, government, education, financial services, manufacturing and additional vertical markets.

"ECS is pleased to be recognized as the top MSP for the second year in a row. We are proud to support our customers as they embrace our managed services model to meet their technology needs," said **John Sankovich**, vice president of cloud solutions.

The Top 100 Vertical Market MSPs rankings are based on ChannelE2E's editorial coverage and worldwide survey of MSPs. Rankings are based on annual recurring revenues in specific vertical markets for fiscal year 2019. MSPs featured throughout the list and research leverage deep vertical market expertise to drive annual recurring revenues (ARR) in specific market segments.

This year's research revealed several key MSP market trends, including:

- Honorees generated a combined $1.12 billion in vertical market annual recurring revenue (ARR) in 2019, up from $699.1 million in 2018. The surge involved organic growth combined with accelerating merger and acquisition (M&A) activity.
- The most successful vertical market MSPs are zeroing in on financial services and healthcare, while MSPs in the legal and manufacturing sectors also showed particularly strong growth.
- The Top 100 Vertical Market MSPs now manage more than 2.8 million users across their customer sites in 2019, up from 2.6 million in 2018.
- MSPs consider their top vertical market technology partners to be Microsoft

(56%), Dell Technologies (22%), Cisco Systems (21%), Datto (19%), ConnectWise (11%) and Ingram Micro (11%).

"We are thrilled to again be named the top MSP by ChannelE2E," said **George Wilson**, president of ECS. "This recognition reflects ECS' investment in cutting-edge technology and top personnel, as well as our unwavering commitment to serving large enterprise organizations of all kinds."

ChannelE2E also named ECS a **top public cloud MSP** in 2019. The company was named a **CRN Top 100 Security MSP** in 2020.
