

ECS Names Government and Technology Leader Donnie Scott as President

2026-02-18

Company enhances federal market positioning with addition of highly accomplished National Security Executive

FAIRFAX, Va.--(BUSINESS WIRE)-- ECS, a provider of advanced technology solutions in data and AI, cybersecurity, and enterprise transformation, and one of six ASGN brands that will be unifying under the new Everforth brand (NYSE: ASGN), today announced the appointment of Donnie Scott as President. Mr. Scott succeeds John Heneghan and will lead ASGN's Federal Segment as agencies increase investment in mission-critical technology, digital modernization, and national security priorities. -critical technology, digital modernization, and national security priorities.

Mr. Scott brings over 25 years of leadership experience across federal services and products, with a proven track record of driving growth, operational excellence, and innovation in highly regulated government environments. Most recently, he served as Chief Executive Officer of IDEMIA Public Security North America, a private equity-backed global leader in identity, biometrics, and digital security technologies, supporting federal, state and local, and international government customers. During his tenure, Mr. Scott led significant organizational transformation, improved financial performance, streamlined operations, and unified multiple legacy businesses into a high-performing, mission-focused organization. -equity-backed global leader in identity, biometrics, and digital security technologies-performing, mission-focused organization.

"Donnie is a proven growth leader with deep experience delivering technology products and services to federal customers at scale," said Ted Hanson, Chief Executive Officer of ASGN. "As federal agencies expand budgets to modernize technology, strengthen mission capabilities, and capture the impact and promise of AI, we remain exceptionally well-positioned to benefit from these long-term demand drivers. Donnie's customer relationships and operating expertise enhance our ability to execute and create sustained value for our customers and shareholders." -term demand drivers. Donnie's customer relationships and operating expertise enhance our ability to execute.

Prior to IDEMIA, Mr. Scott served as an Industry Sales Leader at DXC Technology, where he supported the U.S. Public Sector and National Security markets, helping generate more than \$1 billion in sales for the company's national security business. Earlier in his career, he held senior leadership roles at Hewlett Packard Enterprise, HP, and Electronic Data Systems. Mr. Scott holds a bachelor's degree in economics from the University of Virginia and is an active participant in industry associations focused on biometrics, travel, and emerging technologies.

"ECS has built a strong foundation in the federal market with trusted customer relationships and differentiated

capabilities,” said Donnie Scott, President of ASGN’s Federal Segment. “I look forward to working with the team to build on their momentum, expand offerings, and capitalize on the opportunities created by a growing federal budget.”

As President of ASGN’s Federal Segment, Mr. Scott will focus on executing a long-term growth strategy across federal customers, further strengthening operational execution, and advancing ECS’ ability to address complex government IT requirements with expertise, efficiency, and speed.

Mr. Hanson concluded, “As we welcome Donnie to the ECS team, we are deeply grateful for John’s leadership as President of our Federal Segment over the past four years. John successfully guided ECS through a dynamic federal spending environment, and we look forward to his continued positive impact as he transitions into the new role of Consulting Transformation Officer within our Commercial Segment. In this new leadership position, John will bring his transformation expertise to further advance ASGN’s evolution into an AI-led technology solutions provider.”

About ECS

ECS, a key segment of ASGN Incorporated, soon to be transitioning to Everforth, is a trusted IT systems integrator serving government agencies. ECS provides modern digital solutions that enable fast and efficient decision making and support the effective execution of government agency operations.

ECS’ leading-edge AI, cybersecurity, and open data management solutions boost collaboration, innovation, and worker productivity, improve employee and customer experiences, and protect critical agency data and assets. For more information, visit [ECStech.com](https://www.ecstech.com).

About ASGN Incorporated, transitioning to Everforth

ASGN Incorporated (NYSE: ASGN) is a leading provider of IT solutions for commercial and government clients. In November 2025, ASGN announced its intent to rebrand to Everforth, a new parent brand unifying its six brands — Apex Systems, Creative Circle, CyberCoders, ECS, GlideFast, and TopBloc — under a single identity.

During the transition, ASGN will continue operating under its existing commercial and government brands. Clients, partners, and suppliers can expect a seamless experience, led by the same trusted teams with greater resources and stronger cross-brand collaboration. ASGN’s transition to Everforth will take place in the first half of 2026.

Everforth is a leading technology and digital engineering company with six core solution areas: AI and data, cloud and infrastructure, digital engineering, customer experience, cybersecurity, and enterprise platforms. Through proprietary assets, accelerators, and proven expertise, Everforth delivers measurable outcomes that help organizations adapt, innovate, and thrive.

Everforth: Adapt and Thrive.
