ECS Ranked #2 on Top 250 MSSP List for 2024

2024-11-21

Company recognized as a top MSSP provider for fifth year in a row

FAIRFAX, Va.--(BUSINESS WIRE)-- **ECS**, an IT systems integrator focused on data and AI, cybersecurity, and enterprise transformation solutions, and an ASGN (NYSE: ASGN) brand, was recently ranked second on CyberRisk Alliance and MSSP Alert's **Top 250 Managed Security Service Providers (MSSPs)** list for 2024. Published annually, the list spotlights the world's leading providers of **managed security services**, **managed detection and response** (MDR), and **security operations center-as-a-service** (SOCaaS).

This year's list marks the fifth time ECS has been featured among the top competitors. ECS moved up one spot in the rankings this year in recognition of the company's wide range of **managed security solutions.** From MDR to extended detection and response (XDR), SOCaaS, and more, ECS' managed solutions reduce cybersecurity costs and complexity for organizations across commercial and federal industries. **ECS' Advanced Research Center (ARC)** also provides active threat intelligence and hunting to better help customers protect their networks against the most sophisticated cyber threats.

"We are proud to be acknowledged as a leading MSSP for the fifth consecutive year," said **Steve Hittle**, chief information officer at ECS. "This recognition highlights our team's dedication to providing customized security solutions that effectively support highly regulated industries across diverse sectors and challenging environments."
