

## ECS Ranked #9 on Top 250 MSSP List for 2021

10/7/2021

Company recognized as a top MSSP provider for second year in a row

FAIRFAX, Va.--(BUSINESS WIRE)-- [ECS](#), a leader in advanced technology, science, and engineering solutions, has been ranked ninth in MSSP Alert's [Top 250 Managed Security Service Providers \(MSSPs\)](#) for 2021. Published annually, the list spotlights the world's leading providers of [managed security services](#), [managed detection and response](#) (MDR), and [security operations center-as-a-service](#) (SOCaaS).

This year's list marks the second time ECS has featured among the top competitors. In 2020, MSSP Alert awarded ECS the #14 ranking in recognition of the company's wide range of [managed security solutions](#). From MDR and extended detection and response (XDR) to SOCaaS and third-party vendor risk management, ECS' solutions reduce cybersecurity costs and complexity for organizations across the commercial and federal industries. [ECS' Advanced Research Center \(ARC\)](#) also provides active threat intelligence and hunting to better help customers protect their networks against the most sophisticated cyber threats.

"We are thrilled to be named a top global MSSP for another year in a row," said [Andy Woods](#), vice president of enterprise managed services at ECS. "This award reflects ECS' continued success in providing custom fit security solutions to highly regulated organizations across a wide range of verticals and complex environments."

### About ECS

ECS, ASGN's federal government segment, delivers advanced solutions in cloud, cybersecurity, data and artificial intelligence (AI), application and IT modernization, science, and engineering. The company solves critical, complex challenges for customers across the US public sector, defense, intelligence, and commercial industries. ECS maintains partnerships with leading cloud, cybersecurity, and AI/ML providers and holds specialized certifications in their technologies. Headquartered in Fairfax, Virginia, ECS has more than 3,500 employees throughout the United States. For more information, visit [ECStech.com](#).
