

GlideFast Consulting Announces Expansion into the European Market

11/2/2023

BOSTON--(**BUSINESS WIRE**)--GlideFast Consulting, a leading provider of digital transformation and service management solutions around the ServiceNow platform as part of the ASGN brand (NYSE: ASGN), is thrilled to announce its new work in the European market. With a commitment to delivering innovative solutions and exceptional service on the ServiceNow platform, GlideFast Consulting is now poised to serve clients in both the US and European markets.

A recognized leader in digital transformation and the 2023 Elite ServiceNow Partner of the Year, GlideFast Consulting has built a strong reputation for providing end-to-end solutions that help organizations streamline operations, enhance customer experiences, and drive business growth. With a diverse portfolio of clients and a proven track record of success, the Company's support of European accounts is a key step in its growth strategy.

Michael Lombardo, CEO of GlideFast Consulting, commented, "We are excited to bring our world-class expertise in digital transformation and service management to European organizations. This work is a testament to our commitment to delivering value to our clients. We look forward to supporting businesses in Europe and helping them achieve their digital transformation goals leveraging the ServiceNow platform."

Key Highlights of GlideFast Consulting's work in Europe:

- **Dedicated Presence in Europe:** GlideFast Consulting has hired Managing Director, Adam Godfrey, to better serve European clients and strengthen their local presence.
- **Expertise in ServiceNow:** GlideFast Consulting will bring this expertise to European businesses, helping them leverage ServiceNow's capabilities for improved efficiency and productivity.
- **Innovative Solutions:** European businesses will gain access to GlideFast Consulting's innovative solutions in automation, cloud technologies, IT service management, and digital transformation, helping them stay competitive and agile in today's fast-paced business landscape.
- **Client-Centric Approach:** GlideFast Consulting is committed to providing the same high-quality service and support to European clients as they do to their existing customers. This client-centric approach ensures that businesses in Europe receive tailored solutions that meet their unique needs.
- **Local Talent Acquisition:** GlideFast Consulting has access to top talent in the European market, bringing local insights and expertise to their service offerings.

GlideFast Consulting's European work comes at a time when organizations are increasingly seeking digital solutions to enhance their operations and remain competitive. With a focus on delivering exceptional results and personalized service, GlideFast Consulting is well-positioned to support European businesses on their digital

transformation journey.
