Job seekers can connect to area employers at job fairs in the coming weeks, including two fairs at Hillsborough Community College April 18 and 19.

“Usually if a company is here, they have positions available,” says Lorraine Canalejo, Career Resource Center Manager at HCC’s Dale Mabry Campus. “I have a gym. It fills up.”

The fair at HCC’s Dale Mabry Campus [2] is from 9:30 a.m. until 2 p.m. April 18 in the Dale Mabry Gym. A variety of companies are expected for computer-related and law enforcement careers and jobs at animal clinics, radio/TV stations, restaurants and hotels, childcare centers, malls and Busch Gardens.
