Dotloop Expands Partnership with Vermont REALTORS; Builds New Relationship with New Haven Middlesex REALTORS and Scioto Valley Association of REALTORS

Dotloop will empower more than 4,400 REALTORS to work more efficiently with tools such as interactive library of forms

CINCINNATI, Nov. 10, 2015 /PRNewswire/ -- Dotloop announced today that it has reached an enhanced agreement with Vermont REALTORS® and built a new partnership with the New Haven Middlesex REALTORS® and Scioto Valley Association of REALTORS®.

Vermont REALTORS has offered dotloop to its members since 2013, but under the enhanced agreement, it now offers dotloop-PREMIUM to their more than 1,600 members. Since the launch of dotloop two years ago, more than 70 percent of Vermont REALTORS' membership have adopted dotloop.

Now, in addition to their access to an up-to-date, interactive library of forms, members of the Vermont REALTORS have the additional functionality of dotloop-PREMIUM, including the ability to create document templates that allow for increased compliance and efficiency, access to the mobile application, enhanced document editing functionality, enhanced customer support and more.

"We strive to provide resources that help our members deliver real estate services in an ethical and professional way," said Isaac Chavez, CEO of Vermont REALTORS. "It has been clear since we launched dotloop in 2013 that our members love using dotloop to get deals done more efficiently while providing a great client experience. Additionally, we have many brokerages that use dotloop for review and compliance and to run a better business. It is a win-win for everyone."

"Dotloop exists to help real estate agents and brokers to work better together," said Austin Allison, general manager of dotloop. "With this announcement, we are happy to deliver on that promise and welcome Vermont REALTORS, New Haven Middlesex REALTORS and Scioto Valley Association of REALTORS to the dotloop platform. These new partnerships will help association members to be more productive and deliver the best possible customer experience."

The New Haven Middlesex REALTORS and Scioto Valley Association of REALTORS have also added dotloop as an association member benefit. Through National Realtor Database System (NRDS) provisioning, New Haven Middlesex REALTORS are now able to verify they are members of the association via a unique ID, which in turn gives them access to the entire NHMR library of interactive forms through their dotloop account. This benefit will allow members to seamlessly integrate their dotloop account to the MLS and use an entire library of auto-fill enabled documents. Members can easily auto-populate forms with standard information, saving them time while reducing data entry errors.
