## Materion Recognized for Supplier Excellence

April 18, 2018

### Texas Instruments Presents Materion with Prestigious Annual Award

MAYFIELD HEIGHTS, Ohio--(BUSINESS WIRE)--Apr. 18, 2018-- Materion Corporation, (NYSE:MTRN), an advanced materials solutions provider, is being honored for supplier excellence by Texas Instruments Incorporated (TI), a global leader in semiconductor design and manufacturing. This annual award is given only to a very select group of suppliers whose dedication and commitment in supplying products and services meet TI's stringent standards. To achieve this award, Materion demonstrated the highest level of ethical behavior and exceptional performance in the areas of cost, environmental and social responsibility, technology, responsiveness, assurance of supply and quality.

Texas Instruments (TI) produces the industry's broadest and most diverse portfolio of analog and embedded processing products for consumer and industrial electronic applications. Materion leads the industry in the production of a comprehensive range of thin film deposition and evaporation materials. Throughout 2017, Materion Advanced Materials facilities across the U.S. were a critical supplier of precious and non-precious metal sputtering targets to nearly every Texas Instruments wafer fab, including 10 global locations. They provided targets that support TI metals tools up to a 300mm wafer size. Additional support included precision parts cleaning and precious metal recovery, providing fully integrated precious metal services.

As a longtime supplier to Texas Instruments, Materion is focused on providing superior customer service, consistently delivering world-class products, and being a proactive technology partner.

"On behalf of the entire Materion team, we are proud to be recognized with this prestigious award for supporting Texas Instruments in its everyday goal to serve their customers," said Don Klimkowicz, President, Materion Advanced Materials. "We are committed to our ongoing partnership with TI and to continuing to deliver world-class solutions and service."

About Materion:

Supplier Excellence Award (Graphic: Business Wire)

Materion Corporation is headquartered in Mayfield Heights, Ohio. The Company, through its wholly owned subsidiaries, supplies highly engineered advanced enabling materials to global markets. Our unique product portfolio includes [high performance alloys](#), [beryllium products](#), [clad metal strip](#), [composite metals](#), ceramics, [inorganic chemicals](#), [microelectronics packaging materials](#), [precision optics](#), [thin film coatings](#) and [thin film deposition materials](#).
