## **Materion Brush Performance Alloys Announces Global Price Increase on Premium Strip, Rod, Tube and Wire Products**

MAYFIELD HEIGHTS, Ohio--(BUSINESS WIRE)-- Materion Brush Performance Alloys, a Materion Corporation (NYSE: MTRN) business, announced today that it will increase list prices worldwide on premium grades of copper alloy and copper beryllium alloy strip, rod, bar, tube and wire products. Fabrication list prices will increase 2-5 percent effective January 2, 2014.

These price increases are necessary to offset inflationary pressures caused by increased energy, raw materials, manufacturing and other costs.

Materion Corporation is headquartered in Mayfield Heights, Ohio. Through its subsidiaries, Materion supplies worldwide markets with alloy products, beryllium products, electronic products, precious metal products, and engineered material systems. Around the world, the company's engineered materials can be found in technically demanding end-use products within the telecommunications and computer, automotive electronics, appliance, industrial components, plastics tooling, optical media, oil and gas, aerospace and defense, and off-highway and mining equipment markets.
