Brush Engineered Materials Inc. Updates Website

CLEVELAND, Mar 28, 2003 (BUSINESS WIRE) --

Brush Engineered Materials Inc. (NYSE:BW) today announced that it has updated the "Current Investor Update", a slide presentation on the Company's website (www.beminc.com). This slide presentation shows the Company's corporate strategy, financial highlights through the fourth quarter of 2002 and an overview of each of the Company's major business segments.

In addition, the Company has updated its website to include a section on Corporate Governance. This new section posts the Policy Statement on Significant Corporate Governance Issues and the charters for the Audit Committee, the Governance Committee, the Organization and Compensation Committee and the Retirement Plan Review Committee. The corporate governance information presented on the website is intended to help investors understand the Company's governance practices and to provide them with the confidence that these practices are not only consistent with the law, but also to ensure the Company operates within high standards of ethical behavior.

Brush Engineered Materials Inc. is headquartered in Cleveland, Ohio. The Company, through its wholly-owned subsidiaries, supplies worldwide markets with beryllium products, alloy products, electronic products, precious metal products, and engineered material systems.
