

MULTI-YEAR ACCESSIBILITY PLAN

1. STATEMENT OF COMMITMENT

Alamos Gold Inc. (“Alamos” or the “Company”) is committed to creating and maintaining an accessible environment for all third parties, and will provide accommodation where required, in accordance with the Accessibility for Ontarians with Disabilities Act, 2005 (the “Act”). The Company is committed to excellence in serving all third parties including people with disabilities and will do so by preventing and removing barriers to accessibility and meeting the requirements under the Act in a timely fashion.

Alamos is committed to providing its services, programs, goods and facilities to persons with disabilities in a manner that:

- Is free from discrimination;
- Seeks to provide integrated services;
- Is in an accessible format; and
- Takes into consideration a person’s disability.

Alamos relies on all of its employees, directors, volunteers, consultants, contractors and guests to assist with maximizing accessibility within the Company by:

- Identifying potential barriers and proposing ways to remove them;
- Participating in training;
- Learning how to interact with persons with disabilities, including those who require the use of a support person or service animal;
- Learning how to use existing accessibility devices; and
- Advising the Company when they require either temporary or permanent assistance with their accessibility needs.

2. INTRODUCTION

The Accessibility for Ontarians with Disabilities Act, 2005 (AODA) was enacted in 2005 to develop, implement, and enforce Accessibility Standards in order to achieve accessibility for Ontarians with disabilities with respect to goods, services, facilities, accommodation, employment, buildings, structures and premises throughout Ontario by 2025. Accessibility Standards include the Accessible Customer Service Standard, the Integrated Accessibility Standard Regulation (IASR) – including the areas of Information and Communication, Transportation, Employment and the Design of Public Spaces.

Under the IASR, Alamos is required to establish, implement, maintain and document a Multi-Year Accessibility Plan. This plan outlines the Company’s strategy to identify, prevent and remove accessibility barriers and meet its requirements under the IASR.

In accordance with the mandated requirements Alamos will:

- Post the Multi-Year Accessibility Plan on the Company website or in a public area;
- Provide the plan in an accessible format upon request; and
- Review and update the accessibility plan at least once every five years.

3. ACCESSIBILITY PLAN

The Integrated Accessibility Standard Regulation consists of five parts:

1. General Requirements
2. Accessible Information and Communications Standard
3. Accessible Employment Standard
4. Accessible Transportation Standard (N/a)
5. Design of Public Spaces Standard (N/a)

Alamos has designed the following plan for meeting the requirements of the applicable sections of the IASR is presented below.
