Description of the Calculation of the Change in Basis	The Company determines its annual earnings and profits under IRC Section 312 (as modified by IRC Section 857(d) for a Real Estate Investment Trust) and the regulations there under. That computation supports the calculation of the taxability and return of capital portion of common stock dividends paid in 2012.				
Code Section and Subsection upon which Tax Basis is Treated	Code Section 301 (c)(2) provides that the portion of the common stock distribution which is not a dividend shall be applied against and reduce the adjusted basis of the stock.				
Recognition of Resulting Loss for U.S. Tax Purposes	No tax loss is recognized by shareholders as a result of receiving the 2012 common stock quarterly distribution payments.				
Other Information	This cash dividend will be reported to shareholders on their 2012 Federal Form 1099-Div with respect to their common stock holdings in the Company.
