ENTREPRENEURIAL ASSISTANCE

Profile

Grants to offer training and assistance to small businesses impacted by COVID-19

Highlights

- Authorizes SBA to provide additional financial awards to resource partners (Small Business Development Centers and Women's Business Centers) to provide counseling, training, and education on SBA resources and business resiliency to small business owners affected by COVID- 19.
- • Authorizes SBA to provide an association or associations representing resource partners with grants to establish: one online platform that consolidates resources and information available across multiple Federal agencies for small business concerns related to COVID-19; and a training program to educate Small Business Development Center, Women's Business Center, Service Corps of Retired Executives, and Veteran's Business Outreach Center counselors on the various federal resources available to ensure counselors are directing small businesses appropriately

Implementation

- Leverages existing resource partners and establishes grants to support programs that support small business education and navigation of COVID-19 assistance programs
