

Donnelley Financial Solutions' Venue® Named Data Room of the Year for Third Year in a Row

June 06, 2018

CHICAGO--(BUSINESS WIRE)-- [Donnelley Financial Solutions](#) (NYSE: DFIN), a leading provider of governance, risk and compliance solutions, today announced that it was named Global M&A Virtual Data Room Firm of the Year for its Venue® Data Room solution at the Global M&A Network's Annual M&A Atlas Awards celebration held on June 5 in New York City.

This marks the third consecutive year that Donnelley Financial has earned this prestigious award. The M&A Atlas Awards honor the best value-creating deals, outstanding firms, top dealmakers and legendary leaders from the international corporate, alternative investor and transactional communities.

"Running diligence has historically faced challenges with both speed and transparency," said Craig Clay, president of Global Capital Markets at Donnelley Financial Solutions. "Venue Data Room's fully integrated Artificial Intelligence powered contract analytics is helping buyers make better, faster decisions, while sellers are better prepared for the diligence phase. Combined with best-in-class security—essential for the success of any transaction—Donnelley Financial is delivering meaningful value to the M&A process."

Donnelley Financial's Venue Data Room enables globally diverse groups to manage all data related to mergers, acquisitions, investing and other complex financial transactions in a secure, cloud-based repository that addresses both regulatory and security concerns. Venue helps streamline the legal and due diligence processes, creating efficiencies for clients.

"The M&A Atlas Awards set the standard for the industry," added Cynthia Clarke, chief technology officer at Donnelley Financial Solutions. "Winning three years in a row is a testament to Donnelley Financial's commitment to anticipating and meeting the ever-changing demands of the deal-making community with innovative technology solutions."
