

# Donnelley Financial Solutions Sponsors Inaugural Regtech Data Summit

March 07, 2018

*Event Connects Industry Leaders to Define the Future of Regulatory Data*

CHICAGO--(BUSINESS WIRE)-- [Donnelley Financial Solutions](#) (NYSE: DFIN), a leading provider of risk and compliance solutions, announced today that it is the title sponsor of the inaugural Data Coalition RegTech Data Summit being held on Wednesday, March 7, 2018, at the Capital Hilton in Washington, D.C.

The RegTech Data Summit brings Government agency leaders, Congress members, representatives from regulated industries, and tech company executives together to define the future of this evolving policy area. Speakers will explore how regulation, technology, and data can be brought together to solve challenges facing government, regulators and industry. [Craig Clay](#), President of Global Capital Markets at Donnelley Financial Solutions, will open the Summit.

This sponsorship is part of Donnelley Financial Solutions' commitment to the industry and its role in helping clients manage their risk and compliance requirements.

"The Data Coalition and Data Foundation believe the transformation of government information into standardized, open data improves democratic accountability while enabling complete transparency and we are proud to partner with them for this important industry event," said Craig Clay. "Donnelley Financial Solutions is at the forefront of developing global solutions with the technology and expert support they require in this complex regulatory environment."

"The future of RegTech relies on the migration from regulatory disclosure of documents to disclosure using structured data," said [John Truzzolino](#), Director of Corporate Governance Services at Donnelley Financial Solutions, who will be moderating a panel on Standard Business Reporting at the Summit. "The summit will reinforce the importance of standardization of regulatory data and the emerging technologies in development to make the process more accurate, efficient and transparent."
