

DFIN's Venue® Wins Fourth Consecutive Data Room of the Year Award from Global M&A Network

March 27, 2019

CHICAGO--(BUSINESS WIRE)-- [Donnelley Financial Solutions](#) (NYSE: DFIN), a leading global risk and compliance company, announced it was named M&A Virtual Data Room Firm of the Year for its [Venue® Data Room](#) solution at the Global M&A Network's 11th Annual Global Markets Gala celebration, held on March 26 in New York City.

DFIN has earned this prominent Global Markets award for four consecutive years, and won the Americas award for the first time in 2018. The Global M&A Network's independently governed awards singularly honor the best value-creating deals, outstanding firms, top dealmakers and legendary leaders from the global transactional communities.

"We are proud to be recognized for our Venue Data Room, powered by artificial intelligence, and a secure, efficient solution for our global clients," said Craig Clay, president, Global Capital Markets at DFIN. "As a leader that strives to stay ahead of the rapidly-evolving fintech industry and client needs, DFIN prioritizes continuously evolving our solutions to ensure they provide a frictionless experience to take businesses to the next level."

DFIN's Venue Data Room is a highly secure data room platform that allows global companies to manage sensitive deal-related data, make complex financial transactions and confidently share critical information in real time. Since DFIN's acquisition of [eBrevia](#) in December, global Venue users can not only benefit from seamless integration, but also tech-forward data extraction, accurate productivity, powerful encryption and clear outputs.

"The Global M&A Network is an authority in forward-thinking, digital platforms worldwide, and we're honored to have won this award," said Ned Gannon, president, eBrevia. "Our cutting-edge artificial intelligence solutions – which can extract information from current and legacy documents to reduce due diligence time by up to 90 percent – change the way companies do business today. We're continuing to work with our clients to provide solutions for challenges they may face tomorrow."
