## Gatos Silver Provides Bi-Weekly Status Report

7/22/2022

DENVER--(BUSINESS WIRE)-- Gatos Silver, Inc. (NYSE/TSX: GATO) ("Gatos Silver" or the "Company") is providing this bi-weekly default status report in accordance with National Policy 12-203 - Management Cease Trade Orders ("NP 12-203"). In its March 18, 2022 news release (the "Notice"), the Company announced the delay in the filing of its annual report on Form 10-K for the year ended December 31, 2021, which includes its audited consolidated financial statements as at and for the year ended December 31, 2021, together with the auditor's report thereon and the notes thereto, its management's discussion and analysis for the year ended December 31, 2021 relating to the audited annual financial statements, and the Chief Executive Officer and Chief Financial Officer certificates relating to its annual filings by the filing deadline of March 31, 2022. In its May 13, 2022 news release, the Company announced the delay in the filing of its interim financial filings on Form 10-Q for the quarterly period ended March 31, 2022, which includes interim financial statements as at and for the quarterly period ended March 31, 2022, together with its management's discussion and analysis for the quarterly period ended March 31, 2022 relating to the interim financial statements, and the Chief Executive Officer and Chief Financial Officer certificates relating to its interim filings by the filing deadline of May 16, 2022.

The Company believes that it will be able to file its annual report on Form 10-K for the year ended December 31, 2021, and its quarterly report on Form 10-Q for the quarter ended March 31, 2022 in the second half of 2022. Once its annual report on Form 10-K for the year ended December 31, 2021 has been filed, the Company will hold its annual shareholder meeting, which is expected to be held before the end of the fourth quarter of 2022. The Company is also evaluating the material weaknesses in its internal controls over financial reporting related to the mineral reserve reporting errors. The Company's financial statements for the year ended December 31, 2021 and quarter ended March 31, 2022 may be affected by the ongoing analysis of the aforementioned mineral reserve matters.

A management cease trade order was granted by the Ontario Securities Commission on April 1, 2022 (the “Original MCTO”) and the Ontario Securities Commission granted additional management cease trade orders on April 12, 2022 and July 7, 2022 (the “Additional MCTOs” and together with the Original MCTO, the “MCTO”).

Pursuant to NP 12-203, the Company must file bi-weekly status reports in the form of further news releases during the period from the Notice until the MCTO is revoked. The Company reports that since the Notice: (i) there have been no material changes regarding the information contained in the Notice that have not been disclosed in a bi-weekly default status report; (ii) there have been no failures by the Company in fulfilling its stated intentions with respect to satisfying the provisions of the alternative information guidelines under NP 12-203; and (iii) there has not been any specified default subsequent to the default announced in the Notice.
