

BEACON EXPANDS PRESENCE AND CUSTOMER SERVICE IN CALIFORNIA & WISCONSIN

HERNDON, Va.— (BUSINESS WIRE)—March 9, 2022—[Beacon](#) (Nasdaq: BECN) announced today that it has opened a new OTC hub in Pico Rivera, Calif. and a greenfield branch in Little Chute, Wis. These branches expand service to customers in the high-volume Los Angeles market and the growing Green Bay-Appleton, Wis. corridor.

The [Pico Rivera location](#) is a Beacon OTC® Network hub. Beacon's OTC Network is a differentiated service model that solves customer needs by sharing market resources, inventory, and systems to deliver an outstanding customer experience. This OTC hub houses approximately 120,000 square feet of inventory as well as dedicated will-call locations for both residential and non-residential customers. The [Little Chute location](#) houses approximately 10,000 square feet of inventory for residential customers. Both branches are stocked with leading brands of roofing and complementary products, including Beacon's own TRI-BUILT™ brand.

"These two openings prove our commitment to making [Ambition 2025](#) investments to drive above-market growth and operational excellence," commented Julian Francis, President & CEO of Beacon. "They support organic growth as well as enhance margins, improve working capital, and develop talent. The Pico Rivera OTC hub will also contribute to our lower emissions target by optimizing delivery routes in the highly congested Los Angeles market."

Forward-Looking Statements

This press release contains information about management's view of Beacon's future expectations, plans and prospects that constitute forward-looking statements for purposes of the safe harbor provisions under the Private Securities Litigation Reform Act of 1995. These forward-looking statements relate to, among other things, expectations regarding the closing of the Notes offering and Beacon's proposed new amended and restated senior secured credit facilities and the use of proceeds therefrom, including the 2025 Notes redemption. Actual results may differ materially from those indicated by such forward-looking statements as a result of various important factors, including, but not limited to, those set forth in the "Risk Factors" section of Beacon's latest Form 10-K and subsequent filings with the U.S. Securities and Exchange Commission. In addition, the forward-looking statements included in this press release represent Beacon's views as of the date of this press release and these views could change. However, while Beacon may elect to update these forward-looking statements at some point, Beacon specifically disclaims any obligation to do so, other than as required by federal securities laws. These forward-looking statements should not be relied upon as representing Beacon's views as of any date subsequent to the date of this press release.
