Beacon Roofing Supply Opens New Oxnard, California Branch

HERNDON, Va.--(BUSINESS WIRE)-- Beacon Roofing Supply, Inc. (Nasdaq: BECN) ("Beacon") announced today that it has opened a new branch in Oxnard, California. This new branch raises the total of Beacon's new branch openings since January 1, 2015 to five (Birmingham, Ala., Charlotte, N.C., Arvada, Colo., Ocala, Fla., and Oxnard, Calif.). Beacon has opened 31 new branches in 19 states and one Canadian province in the last 18 months and now operates 271 branches throughout the United States and Canada. Beacon has added 205 branches through greenfield openings and acquisitions since its IPO in 2004.

Paul Isabella, Beacon's CEO and President, emphasized the importance of greenfield openings to Beacon's overall growth strategy and stated, "we are very pleased to open our new Oxnard, California branch and expand our footprint in California, which is a key growth state for Beacon. The new Oxnard branch will enable us to reach new customers north of Los Angeles and expand our business with existing customers in the metropolitan area. With our second opening in approximately 30 days and 5th this calendar year, Beacon has shown the ability to grow both through acquisitions and greenfields, and I look for this strategic growth trend to continue throughout this fiscal year and beyond."
