### **Beacon Roofing Supply Opens New Branch in South Boston, Massachusetts**

HERNDON, Va.--(BUSINESS WIRE)-- Beacon Roofing Supply, Inc. (Nasdaq: BECN) ("Beacon") announced today that it has opened a new branch in the Seaport District of Boston, Massachusetts. This new branch raises the total of Beacon's new branch openings since January 1, 2015 to six, joining Birmingham, AL; Charlotte, NC; Arvada, CO, Ocala, FL, and Oxnard, CA. Beacon has opened 32 new branches in 19 states and one Canadian province in the last 21 months and now operates 274 branches throughout the United States and Canada. Beacon has added 208 branches through greenfield openings and acquisitions since its IPO in 2004.

Paul Isabella, Beacon's CEO and President, emphasized the importance of greenfield openings to Beacon's overall growth strategy and stated, "we are very pleased to open our new branch in the vibrant, new South Boston Seaport District. Beacon has served customers in the Boston area since 1928 and our new South Boston branch will enable us to more efficiently serve our customers both in and around Boston. With the opening of this new branch in the same week as the announcement of our transformative acquisition of Roofing Supply Group ("RSG"), Beacon continues to show the ability to grow both through acquisitions and greenfields, and I look for both of these strategic growth trends to continue in the future."

About Beacon Roofing Supply Inc.: Beacon Roofing Supply, Inc. is the largest publicly traded distributor of residential and non-residential roofing materials and complementary building products, with 274 branches in 42 states in the United States and six provinces in Canada and over \$2.3 billion in revenue in its 2014 Fiscal Year.

"Safe Harbor" Statement under the Private Securities Litigation Reform Act of 1995: Statements in this press release regarding Beacon Roofing Supply Inc.'s business which are not historical facts are "forward-looking statements" that involve risks and uncertainties. For a discussion of such risks and uncertainties, which could cause actual results to differ from those contained in the forward-looking statements, see "Risk Factors" in the Company's Annual Report or Form 10-K for the most recently ended fiscal year.
