Global Partners Announces Reduction in Quarterly Distribution for the First Quarter of 2020

4/27/2020

WALTHAM, Mass.--(BUSINESS WIRE)-- Global Partners LP (NYSE: GLP) announced today that the Board of Directors of its general partner, Global GP LLC, has declared a quarterly cash distribution of \$0.39375 per unit (\$1.5750 per unit on an annualized basis) on all of its outstanding common units for the period from January 1 to March 31, 2020. The distribution will be paid on May 15, 2020 to unitholders of record as of the close of business on May 11, 2020. The distribution represents a decrease of 25% from the distribution of \$0.5250 paid in February 2020.

"During this unprecedented period of disruption and uncertainty surrounding the impacts of the COVID-19 pandemic, Global is actively taking steps to respond to these dynamic conditions," said Global Partners President and CEO Eric Slifka. "These steps include managing discretionary expenditures and capital spending and introducing numerous enhanced safety and operational measures across our businesses. As always, we are focused on the health and safety of our employees, guests and customers, as well as our neighbors and partners in the communities we serve. We believe our strategically located terminal and retail assets provide diversification that helps position Global to manage through the current industry challenges."

Global Partners continues to evaluate market conditions and will provide an update on its operations and financial strategy and discuss 2020 guidance on its first-quarter 2020 financial results conference call on Friday, May 8, 2020.

Non-U.S. Withholding Information

This press release is intended to be a qualified notice under Treasury Regulation Section 1.1446-4(b). Brokers and nominees should treat one hundred percent (100%) of GLP's distributions to non-U.S. investors as being attributable to income that is effectively connected with a United States trade or business. Accordingly, GLP's

distributions to non-U.S. investors are subject to federal income tax withholding at the highest applicable effective tax rate.
